MILLENNIUM FUTURITY

Red River Sale Barn, Ardmore, OK

MillenniumFuturity.com

Welcome

Welcome to the 2017 Millennium Futurity! It is bittersweet this year with the loss of the man who worked tirelessly on this event until the good Lord took him home. Bill Davidson was the heart of the Millennium Futurity and he would be the FIRST to say, "Know What? Get on with it". And so we shall!

We have changed locations this year to the Red River Sale Barn in Overbrook, OK. We will start the event off by offering our "famous" longhorn burgers to all arriving on Thursday, May 11, 2017. Friday, May 12, we will begin with the Bull Futurity, followed by dinner sponsored by the Millennium Futurity, and finally our Millennium Heifer Sale. The partners have dug deep into their programs to offer up some fabulous heifers and I know there will be something for everyone! The Heifer Futurity will commence on Saturday morning and will offer a look at what our fellow Longhorn breeders have accomplished in their own programs.

We offer our thanks to the consignors and participants who have decided to participate in the event that started it all! The Millennium Futurity would not be "The Millennium Futurity" without each and every one of you. Breeders from across the country have entered and consigned, so please join me in a very sincere "Thank YOU"

WELCOME. We hope that you enjoy all that is "The Millennium Futurity"! Good luck to everyone!
