## *Welcome Longhorn Enthusiasts to the 23rd Millennium Futurity*

Welcome Everyone to Lexington, Kentucky for the 2024 Millennium Futurity. We are thrilled to be back and can't wait for an exciting weekend full of Longhorn friends, memories being made, and some of the best young cattle in our industry being shown for the next few days. This has been a great year for the Millennium Futurity with tons of excitement and 2 new partners joining the fun. Our goal is to continue to make this event bigger and better, and with your help, we are doing just that.

As usual, this event would not be possible without all of you who stepped up to sponsor. This allows us to do so much in the way of promoting this event and our Texas Longhorns. From Bourbon Tours, larger payouts, and not to mention having an amazing panel of judges, it would not be possible without you. From the bottom of my heart, I'd like to send a huge "Thank You!" Throughout the event, I encourage you to thank each sponsor as well. We have an exciting weekend planned, especially the annual "SELLING OF THE ROOSTER." Where will he go this year?

If this is your first time to the Millennium, I would like to thank you for coming. There is such a rich history of this event, and with new participants and those in attendance, it just helps us continue to grow our great breed. If you have any questions at all, or if there is anything we can do, please don't hesitate to reach out to us!

The Longhorn Market, and especially the futurity scene is at an all-time high across the country. It is so amazing to see how much it has grown and to get to meet all the great new breeders coming in this year. We have a fun weekend planned for you and we hope that you take in all the Millennium and Lexington has to offer.

Again, Welcome to the 2024 Millennium Futurity. Let's have some FUN!

**COMMENTS:** OCV'd. Katrina is a wonderful daughter of Tuxedo with lots of horn. She's an easy keeper and is gentle, as she's traveled lots of miles for futurities. She has won futurities as well. She's exposed to our young herd sire, Main Event, who's out of JH Rural Safari Son and Dragon Smile. It pains us to let her go, but we wanted to consign a good one.

**BREEDING INFORMATION:** Not Exposed.

**COMMENTS:** OCV'd. Lucy is a stunningly beautiful, well-built brindle heifer, but the best part is she comes from a wonderful producing line. Her dam, Smok'N Lady, has done nothing but produce quality stock for us. Check out her progeny, it speaks volumes. This line possesses all the traits we look for in a cow; great care-free feet, ideal built udder and teat size, great milker and amazing fertility. Lucy's sire, Catch HR, brings a lot to the table and we love the way his offspring are put together and showing a lot of low lateral twist. She already has a futurity win on her resume. She's set up for success!

**COMMENTS:** OCV'd. Talk about a stacked pedigree with rockstar genetics! Her maternal grandsire, YR Roscoe, is well-known for producing futurity winning heifers and bulls. Her sire, YR Devils Magnum, hit 90" TTT at 5 years old. She brings in the old school Watson 821 genetics, who's consistently produced 5-year-old cows who hit the high 80" TTT and 90" TTT measurements. Her maternal side has a long line of cows that have extraordinary milk production and raise big, deep-bodied calves. She measures 38.375" TTT at 14 months old. She'll be ready for the bull of your choice this fall. Don't miss out on this amazing young heifer!

**COMMENTS:** OCV'd. I'm happy to consign this pretty black and white heifer out of one of my favorite young cows! Black List is out of a gorgeous daughter of Fifty-Fifty BCB x Coopers 167 Lamb called Rumor Mill BCB. Coopers 167 Lamb is one of three cows who have been the foundation of our program and has produced outstanding daughters for us. Fifty-Fifty BCB has more daughters in the 100"+ TTT group than any other bull to date! His offspring have sold for more than \$1.3 million in public sales alone. You'll find unquestionable consistency in these genetics. Black List's sire is a tall, dark and handsome son of WS Vindicator. This brings in the pretty WS Sun Star cow! Black Market C&B is out of the same dam as the 100" TTT HL Brick House cow, BL Rio Cancan. Bid with confidence, her future is bright!

Her bottom side also includes the world's greatest-horned bull, Cowboy Tuff Chex. Her top side is N8ive Legendz, who measured 83" TTT on his 3rd birthday. N8ive Dreamz, the dam of Legendz, is the daughter of the \$210k Native Beauty. Throw in Delta Lucky Ace and BL Monica Sue and this is a pedigree that stacks up with the most elite of the industry. She comes from a very sturdy cow, BL Drizzle, who not only has size and color, but a beautiful utter with great milking ability. Dark Drizzle has excellent conformation and a gentle disposition, something we work hard to produce at Cold Copper Ranch.
